ISSUE

REF: STATE 128336

THIS CABLE IS SENSITIVE BUT UNCLASSIFIED. PLEASE HANDLE  
ACCORDINGLY.

11. (U) Econoff delivered on September 14 reftel points and nonpaper  
advocating accountability for WIPO Director General to Jean-Baptiste  
Mozziconacci, Head of bilateral affairs and international  
cooperation at the National Institute for Industrial Property  
(INPI).

12. (SBU) Mozziconacci noted previous Embassy demarches on this  
issue and said he was "very aware" of the USG position regarding  
Idris. Mozziconacci agreed that Idris' actions were "serious," but  
he added that the situation was delicate and that the GOF would need  
to discuss the matter with other EU governments before taking a  
position. Mozziconacci will be attending the upcoming WIPO General  
Assembly session in Geneva.
